## **SEN. SWITALSKI TO HOST ARBOR DAY EVENT Porcupine Mountain State Park to Be Featured In Slide Presentation**

(Lansing)- State Senator Mickey Switalski (D-Roseville) encouraged nature lovers today to mark their calendars for an Arbor Day event designed to celebrate the beauty of Porcupine Mountain State Park in Michigan's Upper Peninsula. The Roseville Democrat said the event is designed to help promote Michigan's great outdoors and encourage public support for conservation efforts.

"Arbor Day provides us with a wonderful opportunity to stop and reflect on the great natural beauty we have right here in Michigan," said Sen. Switalski. "Conservation of public lands is always an ongoing process which requires community support and participation."

Margaret Kaminski, a guest presenter since 1976, will present a slide show of Porcupine Mountain State Park. Ms. Kaminski will also share some of her favorite slides of the Northern Lights, waterfalls and hiking trails.

The event is scheduled for April 25, from 2:00-3:00pm, at the Macomb County Library located at 16480 Hall Road. Coffee and trail mix will be served. Seedlings will be handed out to attendees, free of charge.
